## Introducing the Circle of Fifths® Explorer Software for finding all the Scales, Chords and Modes of music

The screenshot shows the Circle of Fifths Explorer software interface. It includes a central circle of fifths diagram with a piano keyboard overlay, showing the C major scale and its chords. To the right, there are buttons for 'Tutorial', 'Explore', and 'Training'. Below these are sections for 'Scales' (Natural Modes and Other Scales) and 'Chords' (Triads and Inversions). At the bottom, there is a musical staff with a piano accompaniment and a sequence of chord buttons: C / Am, C w D w E h F w G w A w B h C w B w A h G w F w E w D h C, and C E G.

The Circle of Fifths® Explorer is a software package which allows a User to find, visualize and play all the Scales and Chords of Music including all Seven Modes of music, Ionian, Dorian Phrygian, Lydian, Mixolydian, Aeolian and Locrian. The display includes, Root, 1st and second Inversion of the Chord selected.

The Circle of Fifths Explorer also includes the ability to visualize and play other scales of music, including Harmonic and Melodic minor scales, Pentatonic Major and minor scales, as well as Major and minor blues scales. The Transpose Arrow Icons allow a user to Transpose up or down a 1/2 tone or to change from Sharps to Flats.
